

RAGULANDIRAN M

FULLSTACK DEVELOPER

PROFILE

I am a motivated full stack developer with a strong foundation in front-end and back-end technologies, recently graduated with a degree in Computer Science and Engineering. I have hands-on experience in web application development from academic projects and hackathons, with proficiency in HTML, CSS, JavaScript, React, Node.js, and MongoDB. As a detail-oriented team player, I am passionate about solving problems and continuously learning new technologies.
